Subject: Use of BW scaling in NCEA assessments...
Attachments: NCEA Current Position on the Use of BW Scaling.docx

Lynn,

As we discussed yesterday, (

Ex. 5 Deliberative Process (DP)

Ex. 5 Deliberative Process (DP)

To that end,

similar to what we have done for the database UF issues, I have pulled together a short write-up of our interim decisions (and their rationales) for the use of BW^{3/4} scaling in NCEA assessments.

I have attached this write-up for your review once you return from Germany.

Have a good trip!

-Ted
